

The Church of the Ascension  
Rockville Centre, New York

## Parking Policy

1. The Church of the Ascension has a small parking lot off of Quealy Place, immediately behind the parish hall. This lot is intended for the use of active members of this parish only. To be considered an active member, one must have received communion in this church at least three times during the year and have an active pledge recorded for the past year. Watching mass online does **NOT** count as active attendance.
2. There are a number of spaces at the front of the lot that are clearly designated “Ascension Business Only.” To be parked in one of these spaces you must be in the building.
3. The spaces at the South end of the parish hall are for the use of residents, staff, and Shop volunteers **ONLY**. Do not park here.
4. There is to be no overnight parking without prior authorization.
5. Active Ascension parishioners are welcomed to use the spaces that are **NOT** designated “Ascension Business Only” for occasional use when going into the city or conducting business downtown; however, please remember that parking in the lot is **NEVER** guaranteed.
6. At times the lot has to be closed at short notice. This is communicated to the parish via email. You must be on our email list and check it regularly if you intend to park in the lot.

Priority for use of the parking lot is always given to those attending Ascension worship services and other official functions.
